## FIT FOR THE FUTURE

### Our Purpose:

To be the best provider of person-centred care to the people of Sheffield and the surrounding area.

### Our Guiding Principle:

Putting people who use our services at the heart of everything we do.

### Our Values:

Sheffcare is a charity that aims for everyone to have a good day, every day, through:

- Kindness
- Dignity
- Respect
- Independence
- Choices

Sheffcare is a registered charity offering a range of social care services for older people and people living with dementia. We currently operate nine residential care homes and two day care centres. This strategy outlines our approach in five key areas over the next three years in line with our core purpose, guiding principles, and values.

#### EXCEPTIONAL PERSON-CENTRED CARE

We will provide care that enhances the well-being, dignity, and independence for every resident, ensuring they experience a good day, every day.

#### SAFE, COMFORTABLE, AND WELCOMING HOMES

We will maintain and improve our homes to support the well-being and quality of life of our residents.

#### A PLACE THAT PEOPLE CHOOSE TO WORK AND VOLUNTEER

We will create a culture of kindness, dignity, respect, independence, and choice.

#### COMMUNITY ENGAGEMENT AND COLLABORATION

We will engage and collaborate with communities and partners to enhance support and services for our residents and their families.

#### FIT FOR NOW AND THE FUTURE

We will ensure Sheffcare is well-run, financially sustainable, and future ready.
