Our Purpose:

To be the best provider of person-centred care to the people of Sheffield and the surrounding area.

Our Guiding Principle:

Putting people who use our services at the heart of everything we do.

Sheffcare is a registered charity offering a range of social care services for older people and people living with dementia. We currently operate nine residential care homes and two day care centres.

We can support people 65 and over with a diagnosis of dementia or other care needs.

We can support adults between 50 and 65 with other physical care needs or care needs not limited to dementia.

Strategic Aims:

1. **Exceptional person-centred care:** We will provide care that enhances the well-being, dignity, and independence for every resident, ensuring they experience a good day, every day.
2. **Safe, comfortable, and welcoming homes:** We will maintain and improve our homes to support the well-being and quality of life of our residents.
3. **A place that people choose to work and volunteer:** We will create a culture of kindness, dignity, respect, independence, and choice.
4. **Community Engagement and Collaboration:** We will engage and collaborate with communities and partners to enhance support and services for our residents and their families.
5. **Fit for now and the future:** We will ensure Sheffcare is well-run, financially sustainable, and future-ready.

Sheffcare employs approximately 500 staff. All Homes have a Registered Manager & employ a range of staff which include Deputy Managers, Team Leaders, care coordinators, care staff, domestics, cooks, activity workers, volunteers, clerical and maintenance staff - 24 hours a day, 7 days a week to the residents of our 9 care homes across the city.

In addition to this Sheffcare have a Central Support which includes Executive Team, Finance Team, HR Team & admin which support the homes there is also Executive/Senior management on call support.

All senior staff and management teams adhere to the Sheffcare Leadership Charter.
