### **Our Purpose:**

To be the best provider of person-centred care to the people of Sheffield and the surrounding area.

### **Our Guiding Principle:**

Putting people who use our services at the heart of everything we do.

Sheffcare is a registered charity offering a range of social care services for older people and people living with dementia. We currently operate nine residential care homes and two day care centres.

We can support people 65 and over with a diagnosis of dementia or other care needs.

We can support adults between 50 and 65 with other physical care needs or care needs not limited to dementia.

The Executive team and Board undertook a review of the strategy in 2025 and launched the 3-year strategy. We consulted with our staff representatives through Everyone Matters meetings. We engage with residents and families through our annual survey and in-house meetings.

In 2026 the Executive team and Board undertook a review of the strategy and objectives.

We have strategic plans in place to monitor and review progress to support with this we have KPIs across all the strategic areas of our work.

Key developments across Sheffcare:

In 2025 we commenced with the National Dementia Care Accreditation Scheme, three homes have been accredited, with two more planned for 2026. The remaining four homes will onboard in 2027-2028. Annual reviews form part of this scheme. This is an ongoing commitment to providing high quality dementia care in our homes.

In 2026 all homes will have a defibrillator accessible within the home to support safe care and treatment.

Our recruitment team have worked with Skills for Care to produce a toolkit showcasing our recruitment processes which result in above average retention and recruitment.

### **3 Strategic Aims:**

1. **Exceptional person-centred care:** We will provide care that enhances the well-being, dignity, and independence for every resident, ensuring they experience a good day, every day.
2. **Safe, comfortable, and welcoming homes:** We will maintain and improve our homes to support the well-being and quality of life of our residents.
3. **A place that people choose to work and volunteer:** We will create a culture of kindness, dignity, respect, independence, and choice.
4. **Community Engagement and Collaboration:** We will engage and collaborate with communities and partners to enhance support and services for our residents and their families.
5. **Fit for now and the future:** We will ensure Sheffcare is well-run, financially sustainable, and future-ready.

Sheffcare employs approximately 570 staff. All Homes have a Registered Manager & employ a range of staff which include Deputy Managers, Team Leaders, care plan coordinators, care staff, housekeepers, cooks, activity workers, volunteers, clerical and maintenance staff - 24 hours a day, 7 days a week to the residents of our 9 care homes across the city.

In addition to this Sheffcare have a Central Support team which includes Executive Team, Finance Team, HR Team & admin which support the homes. There is also Executive/Senior management on call support.

All senior staff and management teams adhere to the Sheffcare Leadership Charter.

#### **4 Sheffcare Values**

Sheffcare is a charity that aims for everyone to have a good day, every day, through:

- Kindness
- Dignity
- Respect
- Independence
- Choices
